# 6 Reasons to Enjoy Life Outdoors with Casual Comfort Furniture

## Why buy Casual Comfort furniture?

Here are 6 reasons:

1

### Sustainable Material

Poly lumber is an eco-friendly, recycled plastic product that's safe for daily use and safe for the environment. It's also fade-resistant and doesn't promote bacterial growth. All you need is a little soap and water to keep it spotless and beautiful.

2

### Quality Craftsmanship

Our company and team of expert artisans are passionate about our craft. From using the best materials to making sure each furniture piece is clean and well-built, we stand behind the quality of our products 110%.

3

### Designed Comfort

Your furniture should not only look good, it should feel good too. Our collections are designed for comfort and built with hidden fasteners that firmly hold the furniture together and keep all screws out of sight. This is a unique aesthetic feature that some other poly furniture manufacturers don't offer.

4

### Fast Delivery

We know you want to enjoy your furniture as soon as possible. That's why we strive to achieve the best lead times in the industry. Once your order is received, our craftsmen get to work creating your beautiful pieces.

5

### Superior Service

Casual Comfort customers are happy, faithful customers. We take great pride in our unparalleled customer service and quality, which is backed by a generous 5-year commercial/20-year residential warranty.

6

### Made In The USA

All of our products are designed and manufactured with pride right here in the USA.

# New for 2023

You won't want to miss our new lines of furniture! We are adding marine-grade material to our furniture lineup, and we think you will love the modern vibe of our deep seating selection, as well as the greater variety we will offer in our sling chair options, which you can preview on the next page. Don't forget to check out our eye catching surfboard table addition!

# Poly Color Choices

Choose between bold, tropical, and natural tones for your poly furniture! Mix any two colors together for a custom two-tone look that will match or accent your space!

Colors may vary.

## Natural Finishes

Wood is the classic look that never goes out of style. Our Natural Finishes lumber mimics the look and feel of real wood, but without the negative aspects like splintering and rotting. The smooth, worn feel of the Natural Finishes lumber will give you all the good qualities of wood furniture without the upkeep!

## Marine Finishes

Our new marine grade material is created with outdoor weather in mind. Contact with snow, water, rain, sand, and saltwater won't faze this material as it withstands the natural results of the elements such as rotting, corrosion, splintering, and delamination. \*Marine grade material colors are not an exact match to standard poly color choices.

## Warranty

Casual Comfort warrants to the original purchaser that its polyethylene lawn furniture will be free of original defects in workmanship and materials for a period of twenty (20) years of residential use or five (5) years of commercial use starting on the date of purchase. At its option, Casual Comfort will repair or replace this product without charge for materials and labor, providing our inspection indicates that an original defect exists. Should Casual Comfort choose to replace the product, and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made. Polyethylene is a synthetic and may scratch or fade when exposed to sunlight, or stain after prolonged contact with other substances. Some expansion and contraction is to be expected due to extreme changes in humidity and temperature. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained properly. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, abuse or misuse, normal wear and tear on materials or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended. This warranty also does not cover scratching or chipping of polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you. Casual Comfort makes no warranties other than those which are specifically described herein. Casual Comfort makes no implied warranty of fitness for a particular purpose. The sole remedy provided in this warranty is repair or replacement of this product. Casual Comfort does not pay shipping fees to replace the product.

Folding Chairs and Folding Accessories are warranted to be free of original defects in workmanship and material for a period of ten (10) years of residential use or two (2) years of commercial use.

Swivels, Arbors and A-Frames are warranted not to fail structurally for five (5) years of residential use or two (2) years of commercial use.

Cushions are warranted to be free of original defects in workmanship and material for a period of one (1) year of residential use and are not warranted for commercial use. Compression of cushions shall not be considered a defect in materials and workmanship and are not covered under this warranty.

Sling chairs and umbrellas are warranted to be free of original defects in workmanship and material for a period of one (1) year of residential use and are not warranted for commercial use.

## Proper care & maintenance

To maintain the beauty of your furniture, clean it regularly with warm water and soap. Use only non-abrasive soaps. Do not place flower pots or any items on furniture that will leave stains. Do not place hot items directly on furniture to avoid melting. All hardware is stainless steel and virtually maintenance-free under normal conditions. However, in coastal areas, hardware will need regular rinsing with fresh water to eliminate rusting.

If you properly care for your poly furniture, you will be able to relax in it and Enjoy Life Outdoors for many years!

All our Casual Comfort furniture is constructed with the highest-grade poly lumber which is fade-resistant and will not crack or rot. Our poly materials withstand even the hottest and coldest temperatures! We use chrome-plated stainless steel fasteners that are utilized in the marine industry, as they are known to resist corrosion better than typical stainless steel. Our furniture is a popular choice for outdoor spaces where harsh saltwater conditions exist, and our selected fasteners withstand these climates better than most.

Not only is our poly lumber more durable than many of its counterparts, it also is a sustainable and eco-friendly option! You can rest easy knowing that your furniture is made in a sustainable way that actually protects the environment through the manufacturing process of mainly recycled content.

**Corrosion Resistance**

If you leave near salty sea air, we have you covered! Your Casual Comfort furniture hardware is specially selected with these elements in mind. Our fasteners are chrome-plated stainless steel, which is widely used in the saltwater marine industry since they resist corrosion better than the typical grades of stainless steel.

Post consumer milk bottles are collected from community recycling programs.

Baled milk bottles are sorted and items removed which would affect quality.

Bottles are then ground to flake size, washed, dried and repelletized.

Pellets are remelted and shaped into plastic lumber.

Recycled plastic lumber is fabricated into a variety of outdoor living products.
